Certified Nurse Practitioner or Certified Family Nurse Practitioner

Overview: Full-time position

AHC's NP is a certified nurse practitioner who provides primary care and is committed to helping improve health outcomes in underserved populations.

Major Functions and Responsibilities: He/she also provides patient care and encourages collaboration in a team environment, so patients receive the highest care possible.

Major Activities and End Results:

1. Provide patient care to adults and children at the clinic and on outreach.
2. Assist with the supervision and direction of MA and RN staff in coordination with the Medical Director.
3. Assist clinical team with compliance with HIPAA, OSHA, and other clinical health and safety regulations.
4. Be in active participant in multi-disciplinary teams, including outreach, QI and patient health education.
5. Support the medical director as needed to ensure the clinic is operating as efficiently as possible.
6. Represent Amador Health Center at health-related collaborative meetings within the Doña Ana County community.
7. Work with the Medical Director ensuring Amador Health Center is providing relevant and appropriate services to pediatric patients.
8. Identify health risks and the effects of substance use, pesticide contamination, sun exposure, and musculoskeletal problems in people who are homeless, indigent, and migratory/seasonal agricultural workers. Employee must be up to date with trends and health issues in these populations.
9. Assist the quality assurance/improvement team with developing Quality Improvement projects. Report to Clinical Director on issues regarding quality care for patients including behavioral health and dental care
